Liberty Students and Parents,

February 13th, 14th and 15th, students will have the opportunity to enjoy reading while contributing to the Keep Calm & Read On fundraiser. This fundraiser has traditionally brought in over $15,000 for the school and is pure profit! With your help, we can expect another successful event and raise even more money to support innovation, literacy and technology in the school.

What is Keep Calm and Read On? Students will have the opportunity enjoy a favorite book in the school library (All day $40 or Half day/first 3 academic periods, $20) all while keeping calm and reading on. The PTCO will be giving away prizes each period. All students participating, for any portion of the day, will be entered into the final daily drawing for a $50 Gift Card. The library is supervised by parent volunteers and school administration.

Students will be permitted to bring in an iPod or tablet with headphones, as well as their favorite book. Books will also be available for checkout in the library. Snacks will be provided throughout the day. While we understand this event pulls students from the classroom activity, we will make every effort to avoid project deadlines and assessments on these days. Teachers are aware of this fundraiser!
