

**We are proud to announce Liberty's Teacher of the Year,
Ms. Katy Beaudrie.**

This award recognizes members of the Liberty Middle School faculty for their excellence in the classroom. Nominees must have taught five (5) consecutive years in the Cherry Creek School District and currently be working full-time in the classroom. We are so happy to honor Ms. Beaudrie with this award.

Katy Beaudrie currently teaches Social Studies at Liberty. This is her 21st year of teaching in Cherry Creek. Students tell us that she is full of energy and makes learning fun. She provides challenging assignments and is quick to reward good work. When students struggle, she takes time to make sure they understand. Students describe her classroom as a fun and inspiring place to learn. Ms. Beaudrie believes in students even when they don't believe in themselves. Parents commented on her positive relationships and strong communication skills with them as well as their students.

Ms. Beaudrie will be honored in two district-wide celebrations. On March 13th there will be an afternoon reception at Grandview High School and then a banquet on May 1st at the Denver Marriott South to honor the winners from all CCSD schools.

Ms. Beaudrie will be presented with a scrapbook chronicling her celebratory year. We would love to include cards, letters or dedications of any kind from students, parents and community members. If you would like to make a contribution to her scrapbook, please forward these to Melanie Davison in the main office at Liberty Middle School or feel free to email your contributions to mdavison2@cherrycreekschools.org.
